TOYOTA'S INDOOR/OUTDOOR MOVING MAST REACH TRUCK

is in a class all its own when it comes to productivity, performance, and efficiency. These powerful lifts are equipped with innovative ergonomics and technology and offer clear and precise control for fast and smooth handling shift after shift. Whether you're operating indoors or out, the Toyota Indoor/Outdoor Moving Mast Reach Truck is the perfect lift to fit your operation's needs.

THE FUNCTIONALITY YOU NEED. THE FLEXIBILITY YOU WANT.

The Indoor/Outdoor Moving Mast Reach Truck offers complete versatility for both indoor and outdoor applications due to the diameter of its durable wheels, high ground clearance, and multiple weather protection options to enhance driver comfort.

Designed with the operator in mind, an optional panoramic roof combined with the mast design offers the operator superb upward visibility with minimal load view obstruction.

Operators will love the fully adjustable compartment, featuring an adjustable seat, control handle, armrest, and more. An adjustable operator compartment floor improves driver ergonomics and a optional air-suspension seat makes sure operators can comfortably complete their heavy lifting.

Warehouses continue to build upward due to space constraints. The Toyota Indoor/Outdoor Moving Mast Reach Truck allows this same process to be applied to an outdoor storage area, providing for more efficient utilization of your real estate. The Indoor/Outdoor Moving Mast Reach Truck increases productivity and visibility at high heights with an innovative mast design and an optional transparent overhead guard that delivers true vision.

Interactive touchscreen display

INTERACTIVE TOUCHSCREEN DISPLAY

The Indoor/Outdoor Moving Mast Reach Truck comes standard with an intuitive touchscreen display that includes optional functions like lift height and warnings for overload.

Driver Control

 Automatic speed control, optional fork leveling, and centering.

Optional Lift Mode

• Driver will get continuous updates on lift height, load weight indication, and fork alignment

Customizable performance and operating characteristics to meet your operation's needs

INDOOR/OUTDOOR

MOVING MAST REACH TRUCK ADVANTAGES

AT YOUR FINGERTIPS

A right-hand control unit allows the operator to choose between fingertip controls or multifunction controls to maximize productivity and comfort

NEXT LEVEL COMFORT

The optional air-ride suspension seat ensures operator comfort. Easily adjust the floor height of the operator compartment to further improve driver ergonomics

► TRANSITIONAL LIFT CONTROL

provides shock-free lifting and lowering, allowing operators to maintain maximum load-handling speeds

► 360-DEGREE STEERING OPTION

The continuous steering wheel movement without end positions enables smooth and fast maneuvering and change of direction

TOYOTA MOVES WITH YOU

A NAME YOU CAN TRUST

Our material handling equipment carries something no others can: The Toyota name. As one of the most recognized and respected global brands, the Toyota name is synonymous with quality, durability, and value. It also provides a peace of mind that few companies of any kind can match.

Every Toyota Forklift is built using the world-renowned Toyota Production System (TPS), which features Just-in-Time parts delivery and quality checks at every step of the manufacturing process.

It's all part of the Toyota philosophy of "kaizen," the dedication to continuous improvement. Instituted by our founder more than 80 years ago, it's a principle that still guides us today. As long as our forklifts carry the Toyota name, we'll continue striving to improve processes and quality.

THE TOYOTA 360 SUPPORT PROMISE

In addition to moving more pallets more quickly through your facility, you can count on Toyota's dedication to quality and world-renown manufacturing methods to deliver unprecedented uptime and lower maintenance costs. Toyota 360 Support comes standard with every Toyota Reach Truck, meaning you benefit from an industry-leading two-year parts warranty, the support of over 65 dealerships, 3500+ Toyota Certified Technicians, and guaranteed 4-hour emergency response time.
